MATT Business Meeting

April 5th, 2019 3:00PM EST

Location: The Crowne Plaza Cleveland at Playhouse Square

Year in Review:

- We had a record number of Sunshine Wong applicants this year.
- We had a mission to modernize communications with a new website as well as working through MailChimp.
- The By-laws were updated.
- We increased membership dues. This was not wanted, but needed.
- This year we celebrated our 25th Anniversary, so thank you to our ad-hoc committee.
- Thank you to the Cuyahoga County Medical Examiner's Office and Chetan Soni for all their hard work in putting together this conference.

Membership:

- Last year we had 143 regular members, 3 student and 45 lifetime members.
- We currently have 156 regular members, 2 student and 45 lifetime members.
- Only 56 members are currently paid. Those 100 members not paid by the four-week grace period will lose membership.
- We have extended student membership to all students who presented at this conference.
- We challenge everyone to get all their coworkers to join.

Treasurer:

- We have \$25,525.30 in the checking account.
- We have \$4,800.32 in the savings account.
- For this meeting we spent roughly \$26,000 and took in roughly \$34,000. We will have made \$7,000 on this meeting.
- All hosts did a wonderful job keeping on track with the budget during the meeting.

Communications:

- MailChimp is new this year. If you feel you are getting too many emails from MailChimp, you can go into your settings and turn off certain types of emails.
- Please send in content for the newsletter. We want to feature you in spotlights. Please feel free to send anything to Emily or Sarah in just a simple word document. They will take care of the formatting.
- We reformatted the website in order to help modernize MATT. It is not complete, but you can still access it. There is a password protected page with all the past newsletters that all current members will have yearly access to.

New Business:

- There was a raffle for those that updated their email address or who engaged in the Facebook page. The winner of the meeting registration is Naomi Greskovich, the membership winners are Ali Abbas and Doug Lewis, and the speaker gift winners are Mike Smith, Vidhi Soni and Brian Simmons.
- 2020 will be a joint meeting in Kansas with the Southwest Association of Toxicology. It will be April 22-24.
- 2021 meeting will be in Lexington, Kentucky.

Message from the incoming President:

- Thank you, Doug Rohde for being a wonderful leader to the MATT board.
- We welcome Amy Alexander as Vice President and Amber Raines as Secretary.
- We want to continue to move forward and improve our resources, so we welcome everyone's feedback.
- We want to once again thank Chetan Soni and Cuyahoga County Medical Examiner's Office for their hard work in making this conference successful.

Secretary Signature
