

HAMILTON COUNTY CORONER & CRIME LABORATORY

EMPLOYMENT OPPORTUNITY

Position: Toxicologist (Entry)/Toxicologist I

Salary: The starting salary range for this position is from \$47,000 to \$58,000. Salary will be commensurate with experience. Hamilton County also offers an excellent retirement program and health benefits.

Location: Blue Ash, Ohio

Applications are currently being accepted for this position. The Hamilton County Coroner & Crime Laboratory, a full-service ANSI-ASQ accredited laboratory, is seeking an entry level or experienced toxicologist to work in the toxicology section. A person with experience is preferred. This person will be responsible for performing selected routine casework in the toxicology section of the laboratory, as well as providing testimony in a court of law. In addition, this position involves performing accessioning duties as a toxicology lab aide.

The toxicologist will be required to comply with all safety, quality control, and other administrative criteria of the ANSI-ASQ accreditation program. Hamilton County is an Equal Employment Opportunity employer. General information about the laboratory can be found at www.hamilton-co.org/coroner.

Qualifications:

Applicants must possess at minimum a Bachelor's degree in Forensic Science, Toxicology, or Chemistry from an accredited university.

To Apply:

Send a cover letter, college transcript, and resume via e-mail or mail to:

Robert G. Topmiller
Chief of Toxicology
Hamilton County Coroner & Crime Laboratory
4477 Carver Woods Drive
Blue Ash, Ohio 45242

E-mail: bob.topmiller@hamilton-co.org

Applicants selected for an on-site interview will be required to travel to Blue Ash at their own expense.

Position will remain open until filled.
