

POISON CENTER LEADERSHIP MEETING

Albuquerque, NM.

February 17-20, 2026

"...Albuquerque Is the New Mexico Trip to Put on Your Bucket List" - Wall Street Journal, July 2025

SPONSORSHIP OVERVIEW AND BENEFITS

THE EVENT

The national Poison Center Leadership Meeting (PCLM) is an exclusive meeting of clinical leaders that crosses hospitals and health systems, public health agencies, toxicology specialty boards, and independent as well as not-for-profit organizations. This is an intimate opportunity to engage with nationwide leadership across the country's 53 regional Poison Centers.

WHY BE PART OF THIS MEETING

1. The only nationally integrated network of specialty centers for toxicology, poison prevention data, and drug safety.
2. Engage with leaders who are on the cutting edge of the latest public health issues including fentanyl/opioids, environmental hazards, cannabis, xylazine, and social media trends.
3. The number of sponsors is intentionally limited to allow for meaningful 1:1 and group opportunities to interact with attendees.
4. Unique opportunity to engage individually with a national Board of Directors as the organization continues its growth from climate change hazards to disaster preparedness to product stewardship.

SPONSORSHIP OVERVIEW

We have an engagement and value driven approach to sponsorship. We partner with organizations to meet their needs, ensuring visibility and recognition throughout the entire meeting, including pre and post event activities. Major benefits include:

1. Opportunity to present and engage with Senior Leadership from Poison Centers across the country.
2. Focused national communications for reaching members/attendees. (leadership newsletters, organization town halls, PCLM update emails)
3. On-site recognition throughout the meeting (logo visibility, formal acknowledgement throughout sessions, prominent displays of sponsor signage)
4. Formal sponsor visibility at important networking events. (coffee breaks, reception, etc.)
5. National social media recognition.
6. National website presence and links.
7. Conference insert for registration packet, provided by sponsor (flyer, brochure, or other approved item).

Sponsorship opportunities are limited. To ensure visibility and member engagement for all the pre-event offerings, sponsorships must be confirmed by **December 19, 2025**. Exceptions will be considered.

Please note that the Champion and Executive level sponsorship includes two complimentary conference registrations, and Manager level sponsorship includes one complimentary conference registration. The non-member standard registration fee is \$780 per person.
